DEVELOPMENT AND PEACE — CARITAS CANADA

External debt and ecological debt: Who owes whom? In Peru, extractive industries account for over 60 per cent of the country's exports. But this does little for Peruvians, 30 per cent of whom remain below the national poverty line. Mining has serious consequences for the environment and human rights. This adds to the ecological debt that rich countries, which benefit from this exploitation, owe to the local populations who suffer its harmful effects. Our partners, the Episcopal Commission for Social Action (CEAS) and the Bartolomé de Las Casas Institute (IBC), work closely with affected communities to help them assert their rights. Last June, we were present at the G7 in Alberta in response to Pope Francis's call to Turn Debt into Hope in this Jubilee Year. Next week help us reach our goal of 60,000 signatures on the global petition for cancelling the unjust debts in the Global South and reforming the global financial system to prevent debt crises from recurring. Together, let's ensure that everyone has the right to a future free from unjust and crippling debt. To find out more or sign the petition visit devp.org/videoPer

ROSES FOR LIFE (SC)

On the weekend of October 18th and 19th, the Knights of Columbus St. Lawrence Council 5068 will be distributing Rose Lapels to support Pro-Life at St. Columban's Parish.

FROM THE PASTOR'S DESK

On Thanksgiving Weekend, our Sunday readings reminded us to say Thank You. "Here in Canada, you can feel the buzz every October: the leaves are changing, meat pies and apple pies are being delivered, and the new hockey season begins! Go Penguins! But as exciting as hockey season is, it points us to something even deeper: the season of gratitude we are called to live as Christians. Gratitude is the key to a stewardship way of life.

How often do we say the words, 'thank you'? Think about it. We teach children to say it when they receive a gift. We expect to hear it when we've done someone a kindness. But how often do we stop and say those same words to God? Gratitude is the key to a stewardship way of life - that is how we share/serve through our time, talents, and treasures.

Thank you for all your prayers for our parish family. As a new hockey season starts, so begins a new pastoral and school year. Thank you to our parish leaders who work hard to serve the ministries and mission of our parishes. In the next couple of weeks, Fr. John and I will be celebrating Mass and Thanksgiving liturgies for our four schools: St. Anne, Bishop MacDonell, St. Matthew's, and St. Joseph's.

Our teams are also ready to accept registrations for First Communion and Confirmation. Our First Confession sessions will begin in November. Also, we are always prepared to welcome requests for Baptisms.

Finally, please pray for your priests, who will be away on retreat the last week of October. Please check the parish bulletin for changes to the daily Mass schedule. Let's continue praying for all our parishioners.

Peace, Fr. Jonathan

DEVELOPMENT & PEACE — CARITAS CANADA

Thank you for helping to Turn Debt into Hope! Thanks to your support, Development and Peace — Caritas Canada has collected signatures on the global Turn Debt into Hope petition. Many impoverished countries in the Global South are struggling with conflict, humanitarian crises and climate change. Cancelling their unjust debts would free up scarce revenues, allowing them to better meet the needs of their citizens. Citizens like little Melati and her mother, Ade, in Ethiopia, who only aspire to live in dignity. Each signature amplifies the message of debt justice to creditors and political leaders. So if you haven't already signed the petition, please sign it today and have your friends and family do it, too! Visit the website at devp.org/campaign.
